The Board of Directors finished Executive Session to discuss Search Committee Update.

5. OASIS President Report

Eduardo Gutentag, acting as OASIS President, provided an update on OASIS. An appeal was presented to the President, but suspended to enable further discussions before review of the appeal is needed. The Board noted that requests for an appeal are not archived when presented to the Chair of the Board using the OASIS email address, perhaps an email address should be established allowing it to be archived.

ACTION 2008-05-08.1: Process Committee to review appeals process for visibility and archiving of emailed appeals.

The AGM slides have been posted, but can only be found through the Symposium schedule (link to all slides http://events.oasis-open.org/home/sites/events.oasis-open.org.home/files/2008%20AGM%20All-slides.odp). It should be possible to provide a link to this material and be easier to find along with materials from previous AGM materials. Eduardo Gutentag plans to send message to membership with report and link to slides next week.

6. Election Policies

Paul Knight left the meeting

Eduardo Gutentag expressed concern with using Single Transferable Voting when the number of candidates is less than or equal to the number of seats available. It may be inappropriate to have to determine an order of candidates when it makes no difference. Board Members also raised issues regarding other election rules, such as whether an election should be held if the number of nominations does not exceed the number of open seats, and whether candidates need to achieve a minimum number of votes in various OASIS elections. Board members indicated that having an election as planned has value but that the Board may wish to review the election process.

7. Adjourn
The meeting adjourned at 12:05 PT.

Respectfully Submitted,

Frederick Hirsch

Secretary, OASIS Board of Directors
