26

Abstract:

27

This document contains a list of errata against XACML OASIS Standard Version 1.0 that

28

have been approved by the XACML Technical Committee.

29

30

Status:

31

This version of the errata is a working draft of the committee. As such, it may change prior

32

to incorporation into a future OASIS Standard.

33 If you are on the [xacml@lists.oasis-open.org](mailto:xacml@lists.oasis-open.org) list for committee members, send comments  
34 there. If you are not on that list, subscribe to the [xacml-comment@lists.oasis-open.org](mailto:xacml-comment@lists.oasis-open.org) list  
35 and send comments there. To subscribe, send an email message to [xacml-comment-  
request@lists.oasis-open.org](mailto:xacml-comment-<br/>36 request@lists.oasis-open.org) with the word "subscribe" as the body of the message.

39 **Table of contents**

40 1. Make attributes of obligations optional..... 4

41

---

42 **1. Make attributes of obligations optional**

43 Approval date: 18<sup>th</sup> February 2003.

44 In Section 5.35, type-definition of ObligationType, delete the following line:

45 `<xs:element ref="xacml:AttributeAssignment" maxOccurs="unbounded" />`

46 and replace it with:

47 `<xs:element ref="xacml:AttributeAssignment" minOccurs="0"`  
48 `maxOccurs="unbounded" />`

49 Delete the following line:

50 `<AttributeAssignment> [One To Many]`

51 and replace it with:

52 `<AttributeAssignment> [Optional]`
